**Re: Revisions to Articles 3 and 4 of the Commission's Regulations
Docket 2007-19-EG**

Dear Mr. Terreni:

The South Carolina Office of Regulatory Staff ("ORS") respectfully requests that the Public Service Commission of South Carolina ("the Commission") reschedule its February 2, 2007 workshop regarding revisions to Articles 3 and 4 of the Commission's regulations. At the November 9, 2006 workshop on the same subject matter, ORS indicated that another workshop would be helpful and that in the meantime it would be available to work with the investor owned utilities ("utilities") with the goal of presenting a unified proposal to the Commission at the next workshop. ORS is currently working towards this goal and in the interests of economy, suggests that rescheduling the workshop to a later date would be beneficial. ORS has permission to state that the utilities join this request.

Best regards,

Shannon Bowyer Hudson
